Meeting Reminder

First Thursday of the Month: Sept. 6, 2007

Meeting Starts @ 7:00 P.M.

Orange County Community Center

WE NEED YOU THERE!

R/C Controller

August Meeting

At the August meeting we discussed the possibility of a fly-in during the Thanksgiving weekend. Several people felt that there are too many personal activities going on during that week. We can continue to discuss at the next meeting. We also discussed the possibility of building/buying a structure to provide shade and protection from the weather. Bill made arrangements with the company that services the Port-O-Let to service every week. Marc brought in some electric's that were donated to the club from a former member, we picked numbers and this is how it came out: Bill—flying wing, Randy—slow stick, Robert—Spree Sport, Gilbert—Folker. Bill is working on an additional tractor that was donated by Marc's neighbor, it needs some labor and a few parts and Bill says it should make a great secondary tractor.

"**Incident** of the month" went to Marc .

"**Model** of the month" had two entries, Bill brought in his son's Lancair and Robert brought in his latest C/L model. The vote was a tie! They both won!

Safety

Please remember there should be no flying south of the runway and aircraft should be "hands on" until out near the pilot boxes.

Membership

Please note that if you have an outstanding balance of dues they need to be "Paid in Full", if not, you cannot fly at the field. If your dues are not current you cannot vote or use the field. No Exceptions!

Field update

The new control line area is getting a workout every Saturday, the new C/L circle will support up to 70 foot lines. This area is also for helicopter use. Please remember to use the gate directly across from the pilot boxes if you need to go in the field to retrieve an aircraft, DO NOT go through the fence, we have not had any cows on the field since the new fencing has been in place, let's try to keep it that way.

Executive Board:

President

Marc Simmons 407-366-6610

Vice President

Bart Luscuskie 407-365-3003

Treasurer

Tom Tomasetti 407-365-3557

Secretary

Bill Staley 407-695-0893

Committee Chairmen:

Membership

For Sale

If you have anything for sale or if there is something you are in the market for, please let us know and we can put it at the end of the newsletter.

Operations

Several items to keep in mind:

If you would like to purchase things that you feel are needed at the field for safety, cosmetic, or operational needs please present it to the board BEFORE making any purchases. The club has limited funds for such items, we need to spend our money wisely.

As per the by-laws, correspondence to all club members should come from the secretary only. Please do not do a "reply all" to club members. If you feel that something needs to be sent out please forward to Bill Staley at bstaley24@cfl.rr.com and he will distribute to the club members.
